

DEAR GENERALS OF DEMOCRACY

There are many ^{non profits} organisations in this world who operate main to take from the poor and the unprivileged ones just to fill there bank accounts but yours is the difference because your mission is to fix the brokering system without waiting financial help from the power houses, with the limited resources and manpower you're making a big difference in the life of hopeless people like who are kept in a place were it kill there dreams, hopes, there life and make them useless economical.
